Prepared for: Dr. M. Erskine, AMP

Reference: AMP requested assistance to Liberia / NMCP LLIN campaign and distance support to in-country T.A.s

Support period: January 22<sup>th</sup> to April 16<sup>th</sup>, 2015

Summary of distance support:

In January 2015, logistics T.A. distance support was requested for Liberia. The goal was to provide assistance to the NMCP and two in-country AMP T.A. personnel. This support was to provide additional logistics assistance during routine conference calls and review of documents. The campaign had been postponed due to the Ebola Outbreak and was forecasted to launch March/April timeframe. Subsequently, the country launch date was set for April 25<sup>th</sup>, 2015.

During the support period of January 22<sup>nd</sup> to April 16<sup>th</sup>, 2015 a total of 12 hours or 1.5 support days were provided. The following is a summary of some of the key activities:

- 2 x SKYPE calls re: in-country T.A. orientation;
- 9 x weekly Liberia Team conference calls;
- Responding to email queries as required; and
- Reviewing logistics campaign documents as requested e.g. mass distribution monitoring tools, logistics tracking tools, etc.

The T.A. support involved collaboration with NMCP, PLAN Liberia, Dr. M. Erskine (AMP) and in-country T.A. providers. With the campaign being in late April 2015, the requirement for further logistics distance support was concluded.
