

AMP The Alliance for Malaria Prevention

Expanding the ownership and use of mosquito nets

Author of report: Kamel Maina

Date of report: August 12, 2017

Context:

Burundi is implementing a LLIN mass distribution campaign to a registered population of 11,477,801. PNILP and CARITAS Burundi are co-PRs in management of the GF financed campaign.

National population according to micro-plan is estimated at 11,658,396.

| Micro Plan | | | Registration | | | Ordered | Projected Surplus |
|------------|------------|-----------|--------------|------------|-----------|-----------|-------------------|
| HHs | Population | LLIN | HHs | Population | LLIN | LLIN | LLIN |
| 2,484,550 | 11,658,396 | 6,425,403 | 2,345,834 | 11,477,801 | 6,185,605 | 6,471,695 | 286,090 |

The **6,471,695** nets ordered in mid-October 2016, are sufficient to cover the registered population at an average of **2.6 nets** per household.

Consultants in country:

- Arrived on Sep 11 for a second mission;

Priorities of the current mission:

- Accompany the preparation and **distribution implementation** on 18-22 September;
- Review and monitoring the **Communication and Social Mobilisation** activities;
- Mission reporting.

Overall campaign planning and implementation:

- Conference call with the LFA to prepare for their monitoring of the distribution;
- Meetings with USAID to discuss campaign status and processes;
- A Steering Committee (Comité de pilotage) meeting was held on 11 Sep;
- National distribution is set for September 18-22 and preparation process is ongoing;
- The Rapid survey final report issued;
- Net transport and positioning from commune warehouses to DPs start on Sep 13;
- Vehicle rental for days of distribution is complete;
- Distribution tools shipped and in process of being positioned at DPs;
- Distribution training took place during th week of Sep 4th;
- No decision made regarding existing (129,270) nets from previous donations and campaigns;
- Procedure need to be established on how to proceed during distribution with approx. 35,000 HHs that are not registered;
- Radio and TV distribution ads are set to start from Friday 14 September;

The week ahead:

- Finalize the protocol and format of a final evaluation of the 2017 campaign
- Monitor over all preparation of distribution;
