

Digitisation

AMP digitisation conference – Nairobi 2024
Julian Austin - AMF

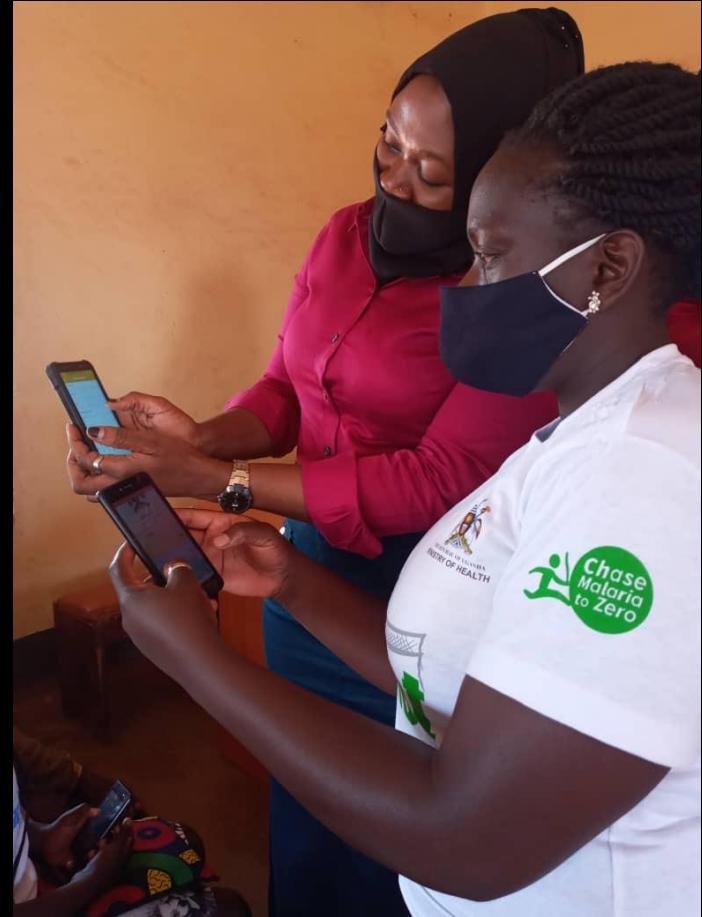

Digitisation is hard!

Especially the first time

But it gets easier

Thanks to knowledge sharing in forums like this

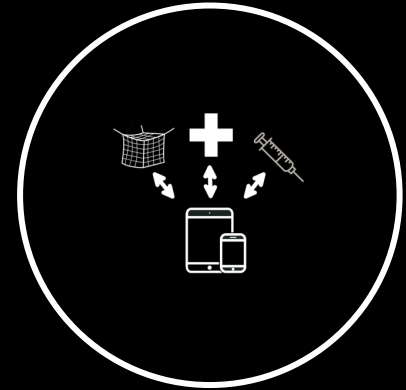

Digitisation can have major benefits

Increasing
Coverage

Improving efficiency
and reducing cost

Leveraging for other
interventions

For everyone involved

Community health workers

Sponsors and donors

Thank you to all the people who have donated. 100% of this money will buy LLINs. US\$2.00 buys one LLIN and on average protects two people. Every net matters.

Initiative: Search for your donation:
