Collect data anywhere

Powerful forms to collect the data you need wherever it is. Used by researchers, field teams, and other professionals to collect data that matters.

Official & ecosystem

ODK software
ODK Collect app, ODK Central server

ODK services
ODK Cloud

ODK technologies
XLSForm, Enketo

Compatible services
Ona, KoboToolbox, etc
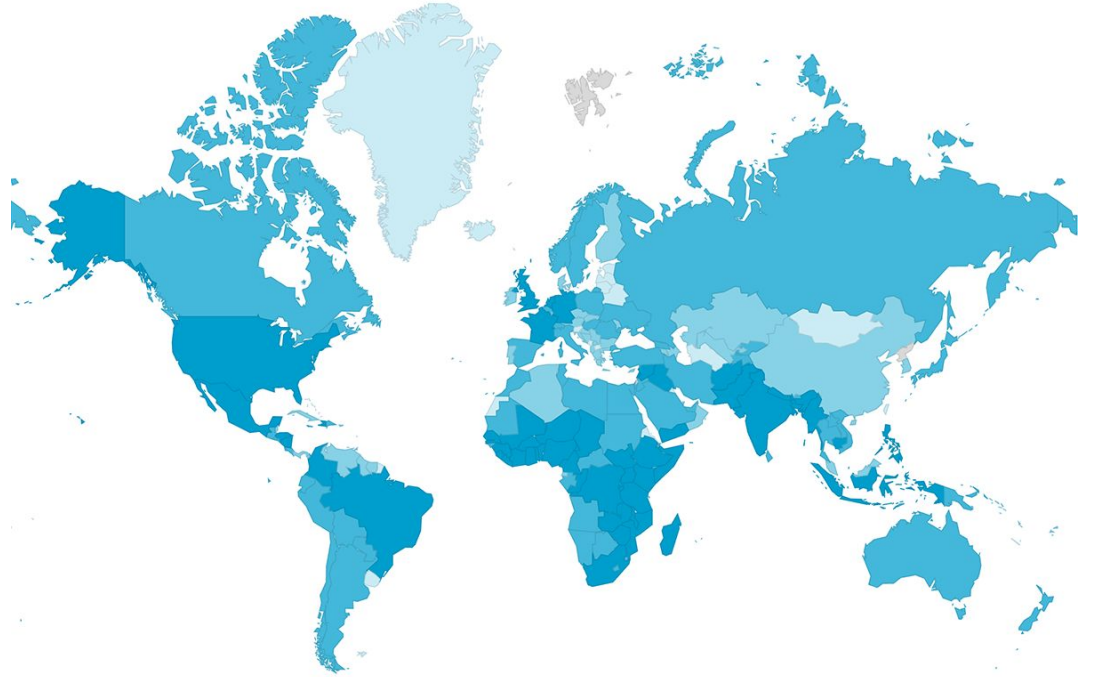

Branded apps
KoboCollect, ESPEN Collect, etc

Related, but incompatible
CommCare, SurveyCTO, Survey123, etc

Trusted at scale

Used by millions globally

—

2M people send
250M submissions each year

Proven across programs

Collect data that matters

SUCCESS STORY

Disease surveillance

WHO: Keeping 1.4 billion people safe from disease. Learn more.

SUCCESS STORY

Field mapping

HOT: Mapping the most vulnerable places on the planet. Learn more.

SUCCESS STORY

Clinical research

MORU: Securely collecting clinical study data offline. Learn more.

SUCCESS STORY

Crisis response

Red Cross: Improving support for people in crisis. Learn more.

SUCCESS STORY

Household surveys

Biostat Global: Flexible household surveys that never fail. Learn more.

SUCCESS STORY

Agricultural research

Ilex: Inclusive farming at incredible scale. Learn more.

SUCCESS STORY

WASH research

Bangor University: Scaling up off-grid sanitation. Learn more.

SUCCESS STORY

Environmental research

CSIRO: Understanding how plastic impacts our planet. Learn more.

The Land Cruiser
of data collection

Success stories

- WHO AFRO used ODK to **collect over 500M data points for disease surveillance and immunization** and cites ODK as the technology that helped eradicate wild polio in Africa.

- MoHs in partnership with LSHTM and Swiss TPH used ODK to **conduct clinical trials that provided evidence for the safety and efficacy of the RTS,S malaria vaccine**.

- Uganda's MoH conducted a **measles, rubella, and polio vaccination campaign reaching 19.5M children**. ODK paired with DHIS2 enabled timely campaign feedback.

Key features for disease control

↻ Regularly used across programs

Benefit from investments from other programs

📄 Powerful and intuitive forms

Connect external apps, barcode print & scan, audit trail

🗺 Geospatial awareness

Use feature metadata, offline map layers, navigation

📊 Helpful integrations

Power BI dashboards, Python-based automation, REST API

⚉ Flexible workflows

Longitudinal collection, case management, edit/approve/reject

Primary School

💾 Select

sprayed_2023: No

Hosting options

ODK Cloud

ODK hosted & managed

$199/month

For professionals who need a fast, reliable, and secure platform with the least hassle

✓ 10K+ monthly submissions

✓ 1+ project space

ODK Self Host Plus

Self hosted, ODK managed

$19K/year

For governments and larger organizations with legal or compliance needs

✓ 100K+ yearly submissions

✓ Unlimited project spaces

ODK Self Host

Self hosted & managed

Your cost

For those comfortable running Linux servers and providing user-facing support

✓ Unlimited submissions

✓ Unlimited project spaces
