INTRODUCTION AND CONSENT

Hello. My name is _____ and I am working with (Research & Marketing Services).

On behalf of the Federal and State Malaria Control Programme we are carrying out a survey to capture the results of the recent campaign to distribute mosquito nets for malaria prevention to all households in Niger State.

As part of the survey we would first like to ask some questions about your household. All of the answers you give will be confidential and will not be shown to anyone. Participation in the survey is completely voluntary. If we should come to any question you don't want to answer, just let me know and I will go on to the next question; or you can stop the interview at any time. However, we hope you will participate in the survey since your views are important. The survey usually takes between 30 and 45 minutes to complete.

At this time, do you want to ask me anything about the survey?
May I begin the interview now?

Signature of interviewer: _____ Date: |_|_|/|_|_|/|_|_|_|_|

Respondent agrees to be interviewed.....	1	Go to Q01
Respondent does not agree to be interviewed.....	0	End

Note: In the field version this section needs to be presented in Ibo translation
